

# Hematopoietic Progenitor Assays Using Frozen Samples

## Proficiency Testing Programs

Proficiency Testing programs are offered throughout the year. In each program, participants are provided with identical lots of cells, MethoCult™ H4034 Optimum, and all reagents and supplies required for the CFU assay. STEMCELL Technologies collects data on cell preparation and colony enumeration and provides a comprehensive report to each participant.

2025 Proficiency Testing Programs	Season	Session	Participant*	Catalog #	Registration Deadline	Testing Kit Shipment Week**
Frozen Bone Marrow	Fall	BM54	1st	100-0928	August 1, 2025	September 24, 2025
			2nd+	100-0929		

\*1st: Price for first participant. 2nd: Price for each additional participant.

\*\*Shipping dates may vary for locations outside of North America.

## Program Fees (per session)

Registration Form

Please email your completed order form to the appropriate email address for your region (see previous page). Programs are available only in certain territories. Please contact your local Sales representative or **proficiency@stemcell.com** for more information.

Confirmation of registration will be e-mailed after the registration deadline.

An e-mail address is required for each participant. All correspondence with participants, including cell plating concentration and final reports, is done via e-mail.
